Looking for an opportunity to shake the snow and ice off of you and your horse? Want to do a communication tune-up before hitting the trails this summer?

The Tennessee Walking Horse Enthusiasts' Association of Montana (TWHEAM) is sponsoring their fifth annual Obstacle Course Fun Day. The event will take place on a 20 acre pasture leased by Dunrovin Ranch in Lolo, MT.

Two Sessions are available with a maximum of 25 riders per session. You may choose to attend one or both sessions. Two coaches will be available during each session to introduce each obstacle and help any rider wanting assistance. After the obstacle "walk through", participants are free to try any obstacle that is not already occupied. You may work from the ground or ride the course. You are free to try obstacles as often as you'd like, as long as you allow other riders to get their turn. Please arrive early so you are ready for the obstacle walk through at 10 a.m. and 2 p.m. Bring your own sack lunch and a chair. Water will be provided.

Parking. All parking is in the pasture. No parking is allowed on Farm Lane. A parking attendant will direct you to designated parking areas for horse trailers and spectators. No spectators will be allowed on the course but may position themselves along the course perimeter. No dogs or alcohol are allowed at this event. A porta potty will be available. Please clean up after your horse.

Cost. Per Session is \$40 for TWHEAM members and \$45.00 for non-members.

Registration. When submitting your registration form please indicate the session you would like to attend. TWHEAM will do its best to place you in your top choice. If you want to ride in the same session with friends, it would be best to submit your registrations together. Pre-registration and pre-payment are required. First come, first served. NO REFUNDS.
